Multistakeholder Collaboration in advancing OER initiatives

Neil Butcher

OER Africa

Strategic Collaboration Framework

✓ CPD frameworks targeting diverse stakeholders:

- Academics for teaching practices
- Librarians for content curation
- Senior managers for policy implementation and CPD adoption

✓ Emphasizes inclusive participation across institutional levels

✓ Effective multistakeholder collaboration through its regional partnership of five African institutions

Building Sustainable Partnerships

Co-creation of policy frameworks with institutions

Peer learning networks across regions

Focus on sustainable practices through stakeholder engagement

Special attention to Africa's unique needs and contexts
